Re: Reclamation Contract, Page 7 of 9, County Canyon Mine, M/023/024, Juab County, Utah

Dear Mr. Crutchfield:

In going over the Reclamation Contract and the Surety Bond for the County Canyon Mine, we find that page 7 of 9 of the Reclamation Contract has not been notarized. We are returning this page to you for correction. We have enclosed a clean copy of the page in case you would rather sign the new page for your notary. In order for us to take this to the Board for approval on March 23rd, we need this page back in our office on or before March 22nd.

Sorry we did not catch this slip-up earlier. Thank you for your immediate attention.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
